Honorable Edward P. Boland

Dear Mr. Chairman:

I would like to express my sincere appreciation for your most recent efforts and those of your Chief Counsel, Mr. Michael J. O'Neil, in ensuring that Intelligence Community equities are appropriately addressed in legislation.

Your introduction in the House of several amendments intended to protect sensitive intelligence information from unauthorized disclosure under the Civil Service Reform bill serves to further my strong belief that oversight can be a positive process, benefiting both the public and the Government. I look forward to the continuation of this relationship.

Yours sincerely,

SIGNED

Attached for your signature is a short letter to Chairman Boland expressing our appreciation for his support, and that of Chief Counsel Mike O'Neil, on the Civil Service Reform legislation. The assistance of the HPSCI on this legislation was invaluable.

Representatives Udall and Derwinski also helped us on the bill. Since they are both conferees, I think the expression of thanks would be more appropriate after the conferees complete action on the bill; I will provide a recommendation along these lines at that time.
